NDCEL Fall Conference Breakout Proposal

***Ramkota Hotel - Bismarck, North Dakota
October 18-20, 2017***

If you have a topic of interest to NDCEL members and would like to present at our *Breakout Sessions* this fall, please provide us with the following information so that you can be considered for a presentation. **Please note that you are responsible for any equipment needed for your presentation (we will not be able to provide LCD projectors/computers, etc.).** We will provide a table/cart for your equipment and a screen.

The general topic areas that we are interested in are curriculum, standards, assessments; school improvement and innovation; finance, board relations, administrator or teacher evaluation, legal issues; special education; vocational education; student activities; and technology. **More specifically we'd love to see presentations in the following areas:**

- STEM
- P-K
- Brain Research + Student Learning
- Extending the reach of your best teachers
- Developing a school vision & strategic plan
- 21st Century Learning & 21st Century Schools
- Flipped Classrooms
- School Culture/Climate
- PBL (Project Based Learning)
- Preparing Schools for College Career/Life Readiness
- National College & Career Readiness Indicators (RedefininRready.org)
- Transforming Toxic Employees into Positive Performers – Dealing with Difficult Staff
- School & Special Ed Law
