Awards

SOY Speech

9-10 ***“NASDTEC & Model Code of Ethics”***

Phil Rogers & Rebecca Pitkin Patterson

All LEAs should be using the NASDTEC LEA Clearinghouse national database when performing background screening on all district employees. The Clearinghouse confirms that ALL staff, both certified & non-certified, are safe to practice. A review of the Model Code of Ethics and its relevance to support teachers in decisions they make daily.

10-11:30 Keynote ***“I Am The Difference”***

Danny Steele Patterson

Educators have the power to transform their classroom, their school, AND their system! When we understand what drives us... we are able to capitalize on the potential we have to make a difference in the lives of those around us.

11:30-12 Closing Announcements Drawings

“Personalized Learning”

Jeff Thake Governors

The presenter will describe one district’s journey to 1:1 and personalized learning and discuss how to engage the school and the community in an effort to transform public education. The presenter has a published case study on the AASA Website and has led a district that is considered 1 of 3 ‘model’ school districts for Personalized Learning. Detailed steps being taken as 1 of 5 ND school districts to participate in the Personalized Competency Based Learning.

“Bus Driver Requirements/Changes”

Don Williams Sheyenne

The upcoming Federal Motor Carriers Safety Administration (FMCSA) changes will be discussed as it relates to school bus drivers, along with the ESSA changes and how it effects STARS enrollment reporting.

“TFFR Funding Update”

Faye Kopp Heart

Take the time to learn more about your retirement plan! This session will provide 2018 updates related to TFFR funding, investments, member and employer statistics, GASB accounting and financial reporting standards, Member Online, and other topics of interest to administrators.

11:30 Load busses for Capitol for Legislator day

Dakota Ballroom doors

12-1 Legislator meet and greet with NDSBA

1 Load busses to return to Ramkota

1:30-2 Buffet lunch—Courtyard

2-2:45 Sasha Pudelski AASA Patterson

The Advocacy Director of AASA and will be presenting the new legislative opportunities and challenges in the new Congress, education funding, and sharing updates from the U.S. Department of Education.

2:45-3:10 final vendor visitation/refreshment break Lamborn

3:10-4 Breakout Session II

“Trends in ND Innovation”

Dr. David Flowers Patterson

Participants will be updated on innovative practices from the ND Innovation Academy, and tools that can be used to jump start innovation in schools and districts, including the Innovation Playlist—small steps that can lead to big changes. This session is for those not already involved in the ND Innovation Academy this year, but would like to be engaged.

“Options Based Lockdown”

Heather Leas Grand Pacific

In 2013 the Dept of Ed. updated their standard of care to reflect an options-based approach to lockdown versus a traditional response, yet many districts have not yet made the transition. You will be provided an overview of the key terminology in options-based, what it looks like for office personnel and those in the classroom, how to roll this out in your community and training opportunities available

“Using the J-1 Visa Program to Address the Teacher Shortage”

Beth Schwarz Governors

The Parshall School District filled 8 openings in the 2018-19 school year using the J1-Visa program. This session will introduce the J1 Visa process, essential information regarding transition to the United States, strengths and challenges of using the program.

“Running a Better Meeting”

Daniel Ludvigson Heart

Discover the importance of collecting information before your meeting, by using available resources from principal centers and doing general reading on related topics. Engage staff in the meeting and show the importance of what do you after the meeting for follow up.

“NDESC: 21st Century Procurement”

Julie Anderson Sheyenne

Members of NDESC can benefit from the power of cooperative purchasing. Learn the importance of using contracts that are competitively solicited, learn how to integrate with a purchasing platform that features legally sound contracts and how NDESC is the service cooperative you can rely on to bring you the best value in the most efficient manner.
