

NDCEL 2018
FALL CONFERENCE

NDCEL Fall Conference
Wednesday – October 17th, 2018
Board Meetings & Pre-Conference

****Pre-Conference is required to qualify for graduate credit (minimum attendance 4pm-7pm – Warrick training also qualifies**

7:30AM – NDREAL Board Meeting – Rm 2160

8:30AM – NDAESP Board Meeting – Cannonball Room breakfast served

10:00AM – NDASSP Board Meeting – Heart Room

12:00PM – NDCEL Board Meeting – Governor’ Room lunch served

2:00PM – NDASA Board Meeting – Sheyenne Room

2:00PM – 7:00PM – Marzano Training with Phil Warrick – Grand Pacific Room – (this training qualifies for the pre-conference graduate credit requirement)

4:00pm –

- Education Law – Guide to Employee Investigations - Patterson

5:00pm –

- Education Law – Dealing with Difficult Employees through Documentation – Patterson

6:00pm –

- Title of Presentation: Adjudicated Youth—What Happens to Your Kids - Patterson

Program Description: The North Dakota Division of Juvenile Services (DJS) is the state juvenile corrections agency. DJS serves students in all areas of the state—within home communities, placement facilities, as well as the Youth Correctional Center. As our student population has grown to reach most corners and in-roads of North Dakota, we felt it was a good time to offer leaders within ND School Districts an inside glance of entry to exit of youth committed to the custody of state corrections. In this session, you will get an overview of the juvenile justice system in North Dakota, and specifically the education services for the students—your students—we serve at the Youth Correctional Center. The presentation will include time for an opportunity for questions from the participants as well as handouts of the session. Our goal is answering your questions.

6:00pm – Legislative Focus Group Meeting – Lucky 13’s

7:00pm – NDSOS Board Meeting – Governor’s Room

Thank you to our sponsors!!

NDCEL Fall Conference Thursday – October 18th, 2018

7:30AM – 3pm – Registration (Coat Room)

7:30AM – Breakfast and Exhibit Halls Open

8:00AM – 8:15AM – Welcome/Announcements & National Guard – Grand Pacific and Patterson

8:15AM – 9:45AM – Keynote Brian Mendler – Grand Pacific and Patterson.

- Plagued by severe undiagnosed ADHD and reading difficulties, I began disrupting class in 4th grade. I believed my peers would laugh at me for being “dumb” so I made sure they laughed at me for being “bad” instead. I was defiant, disruptive, and unmotivated. I was “that one kid” that drove my teachers crazy. By sixth grade my academic skills were so below grade level that I was pulled out of school. Two weeks later in a brand-new school I had one teacher dramatically change my life. He did in about five minutes what nobody had done between kindergarten and 6th grade. And the amazing thing is that it is something any of you can do with any of your students immediately!

9:45am – 10:00 – Break and Vendor Visitation (Courtyard and Lanbourn)

10:00am – 10:50 – Breakout Sessions #1 (see descriptions on pg.)

11:00am – 11:50 - Breakout Sessions #2 (see descriptions on pg.)

12pm – 1:30 – Lunch, Awards Ceremony & Vendor Visitation – Grand Pacific and Patterson

1:40pm – 2:30 – Breakout Session #3 (see descriptions on pg.)

2:30pm – 3:00- Grab a Snack & Visit Vendors

3:00pm – 4:30 – Keynote Speaker – Erik Hatch

- **Leadership Triage:** Everyone wants more of you. The demands of your job are ever-increasing while there are no more hours in the day to pull from. And it just might be sucking the life out of you.
Erik will make you laugh - make you think - and give you some tangible things you can apply to help positively impact your world. Whether you need triage, or your team does - this session will be right up your alley.

4:30 – 5:30 – Affiliate Business Meetings

5:30 – 8:00pm – Dinner on your own

8:00pm – NDCEL Social (light food and drink provided)

- Networking/food/drink/FUN!

NDCEL Fall Conference
Friday – October 19th, 2018

7:15AM – Breakfast & Vendor Visitation

7:34 – 8:20 AM – Cyber Security Threats on our Schools – Shawn Riley – Patterson Room

8:30AM – 9:40AM – Group Networking and Hot Topics

- NDHSAA – Grand Pacific
- Class A Principals- Sheyenne
- Small School Principals – Governor’s Room
- Middle School Principals – Heart
- Elementary Principals – Patterson
- Superintendents – Cannonball Room
- Special Education – Room 2130
- Technology Leaders – Room 2160

9:40 – 10:00am – Break and Final Vendor Visitation

10:10am – 11:45- Keynote Vera Jones - Grand Pacific & Patterson -

- The riveting story of life and leadership lessons a mother learned from her son who lost his sight due to a brain tumor. This is Vera’s signature story of the physical and emotional challenges of a 12-year old son who endured everything from medical trauma to bullying. It is also the daunting, yet sometimes humorous, adventures of a single mom trying to faithfully coach him to overcome his obstacles to win. Guaranteed to leave no dry eye, no untouched heart, this is the biggest reason why Vera is in such high demand as an inspiring motivational speaker. First titled “The Blind CAN Lead the Blind,” in an INBOUND16 speech, it was adapted by Goalcast in October 2017 in a video that instantly went viral. Vera’s passionate presentation has been seen worldwide by tens of millions of viewers and counting! She continues to stir up multiple, powerful emotions in convincing audiences you can overcome adversity if you “Trust Your Vision and Play Through the Foul.”

11:45am – Closing Announcements – Door Prizes/Drawings – Must be present to win!!

12:00pm – NDCEL Board re-cap Meeting – Governor’s Room

Thank you to our sponsors!!

Keynote Speaker – Brian Mendler

Brian Mendler has extensive experience working with challenging students in general education, self-contained, and inclusion settings. He provides staff development training for K-12 educators throughout the world with the focus on how to be successful with even the most difficult students. He trains tens of thousands of educators every year and is a highly regarded dynamic speaker. You will find that Mr. Mendler has a unique perspective that he teaches from, that of a former student who struggled with a learning disability and severe ADHD. Educators love his seminars, because he is able to provide strategies that work immediately for today's youth.

Mr. Mendler has recently authored a book titled, *That One Kid*. The book provides educators with easy to use strategies for preventing and responding to difficult, disruptive, defiant and unmotivated behavior. He has also authored *The Taming of the Crew* and co-authored books, *Turning Tough Parents into Strong Partners*, *Strategies for Successful Classroom Management*, *Power Struggles* 2nd Edition, and the best seller *Discipline with Dignity* 3rd Edition: New Challenges, New Solutions.

Keynote Speaker - Vera Jones

Trust Your Vision – The riveting story of life and leadership lessons a mother learned from her son who lost his sight due to a brain tumor. This is Vera’s signature story of the physical and emotional challenges of a 12-year old son who endured everything from medical trauma to bullying. It is also the daunting, yet sometimes humorous, adventures of a single mom trying to faithfully coach him to overcome his obstacles to win. Guaranteed to leave no dry eye, no untouched heart, this is the biggest reason why Vera is in such high demand as an inspiring motivational speaker. First titled “The Blind CAN Lead the Blind,” in an INBOUND16 speech, it was adapted by GoalCast in October 2017 in a video that instantly went viral. Vera’s passionate presentation has been seen worldwide by tens of millions of viewers and counting! She continues to stir up multiple, powerful emotions in convincing audiences you can overcome adversity if you “Trust Your Vision and Play Through the Foul.

Keynote Speaker – Erik Hatch

Erik will embolden you to ramp up your leadership skills

Erik Hatch married up, has 2 incredible kids, and best describes himself as 'spirited.' Infused with passion, Erik loves helping people to become the best version of themselves. While Erik excels at most things business related, his golf game is horrendous. If he didn't buy drinks, nobody would invite him to play.... this is why we invited him to Fall Conference - not Summer! @theerikhatch

Pre-Conference Trainer – Phil Warrick

Philip Warrick, EdD, is an author and consultant and has worked globally in the areas of school leadership, instruction, collaborative practices, and grading.

In 2010, Dr. Warrick was invited to participate in the Texas Principals' Visioning Institute, where he worked with other principals to develop model practices for Texas schools. He is a past regional president for the Nebraska Council of School Administrators (NCSA). He also served on the NCSA legislative committee and was elected chair. In 2003, he was one of the first participants to attend the Nebraska Educational Leadership Institute, conducted by The Gallup Corporation at Gallup University in Omaha.

Dr. Warrick was named 2005 Nebraska State High School Principal of the Year, 2004 Nebraska Secondary School Principals Region One Principal of the Year, and 1998 Nebraska Outstanding New Principal of the Year and Nebraska Secondary School Principals Region One Assistant Principal of the Year.

He earned a Bachelor of Science from Chadron State College and master's and doctoral degrees from the University of Nebraska-Lincoln.

Breakout Session Group #1 – 10am-10:50am

Grand Pacific	<p>School Law - Booth Law Group - Laura Booth & Hannah Anderson. In this session, we will discuss the past year's important school law decisions from the U.S. Supreme Court's decision in <i>Janus</i> (regarding fair share dues) to the Court's decision in <i>Endrew F.</i> (special education standards) as well as important decisions that may impact how educational leaders make day to day decisions in their work with students and families.</p>
Patterson	<p>Power Struggles Unplugged - Brian Mandler - We all have that One Kid (sometimes more than one) that you battle and struggle with. This high-energy session teaches specifically how to defuse power struggles with any student, in any situation, at any time with our proven step-by-step process. Discover two words guaranteed to stop mouthy kids in their tracks. Learn exactly what your staff should say when removing a student, so they want to return to class.</p>
Governors	<p>Implementing a Growth Focused Teacher Evaluation - Lee Weisgarber - Effectively implemented teachers evaluation processes are intended to support teacher growth that results in improved practice and student learning. With a focus on coaching for growth, this session is intended for NEW(er) principals to become familiar with the existing ND teacher evaluation models, understand the need and processes for collecting observational data, and discuss how to provide effective feedback to teachers. Participants will also look at how evaluation data can be used to create teacher improvement goals and targeted professional development.</p>
Heart	<p>The Power of Positive Thought - Leading a Changing Climate & Climate - Chris Bachmeier - In this program, I will discuss how there is a power to positive thought and even the physical effects of it. I will discuss what types of changes we are doing here at DL-B and the great growth as it relates to positive relationships in our school district. I will also discuss how staff evaluations are done a little differently and the success from it.</p>
Cannonball	<p>Strategies for Success in Student Paced Classroom - Cory Volk - Cory will present the structure of classroom instruction at South Central HS - Bismarck's Alternative High School. In the presentation emphasis will be placed up</p> <ul style="list-style-type: none"> • Student Paced Classroom Instruction • Student Voice & Choice in Class and in School • Mastery Learning vs. Seat Time Requirements • Open Campus & Positive Attendance Model • Blending Classroom Instruction with Social/Emotional Programing to build a Trauma Informed School
Sheyenne	<p>Engaging Students, Building Better Behaviors and FIP-ing your school: REA Statewide Targeted Teacher PD - Luke Schaefer, Jen Glasheen, Erin Lacina - Targeted teacher professional learning opportunities are available for ALL ND educators through a collaborative REA Principal and Teacher Evaluation Support System Grant. Supported by the MDEC, SEEC, MREC and NESC, the professional learning strands are focused on high-impact, evidence-based instructional practices such as student engagement, academic vocabulary, classroom management, building better behaviors and dealing with Tough kids, and formative instructional practices (FIP)/formative assessment. Join us to learn more and become involved!</p>
Room 2130	<p>SLDS - Jane Hovda/ Developing Data Mindset - The SLDS is continuously being updated with new and improved reporting. Let's take the time to dig deeper into key reports, review trend reports in the SLDS to assist you in achieving your District and School Goals and move your students forward. We will look at the Accountability reports, District, School and Student Roster, and the Interactive Analysis. Along with this will be concepts around "developing your data mindset".</p>
Room 2160	<p>The Happiness Advantage - Ned Clouten - This presentation is based on Shawn Achor's book and research on The Happiness Advantage. For years we have been presenting a myth to our students. If you work hard in school, get a good job, contribute to society, you will have a happy life. We have SOLID research that this is not true. In fact, when we achieve the things above, we aren't guaranteed happiness, we will continue to chase the next thing that will make us happy. Harvard researchers have come up with habits that we can foster with our students that have been proven to lead to a happy outlook on adversity. Is it that simple, can we seriously spend 5 minutes a day in school to change our students' outlook and help them find happiness. If we can help student find happiness FIRST, research shows that we can GREATLY impact their futures. I will go into detail on what other schools across the country are trying and what WHS has put in place just this fall.</p>
Room 3130	<p>K12 Computer Science in ND Teacher Professional Learning and Support - Taya Spellhaug - Participants will learn why Computer Science (CS) has become a fundamental skill for all students in North Dakota and how to align resources for K-12 implementation. Topics will include how to take advantage of curriculum and professional learning opportunities from partner organizations such as Code.org and TEALS. This session will include lively discussion about implementing CS in ND with a specific focus on teacher training.</p>

Breakout Session #2 – 11AM – 11:50AM

Grand Pacific	no session
Patterson	no session
Governors	NDDPI TED Talks – Join NDDPI as they walk you through 5 TED talks (10 min each) about critical updates in areas of the ESSA plan such as Choice Ready, Insights/Data Dashboard, Financial Transparency, Mental Health/School Safety & MORE!
Heart	Strategic Planning - "Hope for the best is not a strategic initiative" - Dr. Jeff Schatz - Learn about the process of strategic planning and why it is important for you to have a strategic plan for your school district. Components of a strategic plan will be discussed as well as the process used to complete a strategic plan.
Cannonball	Brain Based Learning: Lessons from Neuroscience Research - Dr. Brenda Tufte - Recent advancements in educational neuroscience research have provided fresh insights into how students learn and how educators can structure learning spaces, schedules, and instruction in order to foster optimal learning, achievement, and social-emotional development. This session examines recent research and discusses specific brain-based learning strategies to generate curiosity, focus, personal connection, ownership, and engagement throughout the inquiry and learning process.
Sheyenne	Career Ready Practices - Dale Hoerauf & Brian Beehler - The presentation will show and demonstrate how Career Ready practices (softskills) are scored and used in all classrooms and program areas at the Bismarck Public Schools Career Academy and Technical Center. Teachers have been scoring students for the past three years. Separating academic from career ready grades.
Room 2130	What does Personalized Learning Look Like? - Dr. Jeff Thake - The presenter will describe one district's journey to 1:1 and personalized learning and discuss how to engage the school and the community in an effort to transform public education. The presenter has a published case study on the AASA Website and led a district that is considered 1 of 3 'model' school districts for Personalized Learning. Additionally, the presenter will detail the steps being taken as 1 of 5 ND school districts to participate in the Personalized Competency-Based Learning Initiative. The presenter has spoken all over the country and is a member of the AASA Personalized Learning Cohort, the AASA Digital Consortium, and the AASA Redefining Ready Cohort.
Room 2160	Minimizing Health-Related Barriers to Learning through the ND eCARE School Health Program - Lyndsee Engstrom - <i>Minimizing Health-related Barriers to Learning Through eCARE School Health</i> , features our telehealth school nursing system. We would love to share this innovative, affordable means of improving access to care for geographically disadvantaged students broadly!
Room 3130	Standards, Scales Assessment: A Collaborative Effort Between the REA's and ND Educators - Erin Lacina - North Dakota educators came together to prioritize ELA and Math standards...but they didn't stop there. They also created proficiency scales and aligned assessment items for teachers to take back to the classrooms! Join us to learn how to access these new documents and to gain implementation strategies for enhanced practices in your schools.

Breakout Sessions #3 – 1:40pm – 2:30pm

Grand Pacific	Trauma Informed Practices for Schools - Building your Trauma Informed System - Lyndsi Engstrom, Keely Ihry and Lisa Klabunde - The Flexible Framework, as described in <i>Helping Traumatized Children Learn</i> , is an organizational tool that enables schools—in collaboration with families, local community organizations, and outside providers—in maintaining a school-wide focus as they create trauma-informed. This session is intended to provide a comprehensive understanding of the Flexible Framework as a tool for building a trauma-informed system and is most appropriate for those who have completed the professional development curriculum, <i>Trauma Sensitive Schools: A New Perspective on Student Behavior and Learning</i> . This session will also introduce the five trauma-informed practices for schools as identified by the North Dakota Trauma-Informed Practices for Schools Leadership Team.
Patterson	Relationship Mapping -Dr. Rob Lech & Luke Anderson The Jamestown School District conducted a relationship mapping exercise for all 2,150 students across the district that mapped out the relationships between all students and all adults in his/her school building. This no-cost, high-impact strategy improved school culture and built positive relationships for students and staff. This breakout session will provide an outline of how one school in the district implemented this initiative and will provide a functional path to do it in your own building/district.
Governors	Teacher Sparks: Find your People, Spark Innovation - Susan Reinhiller - Teacher Sparks presentation is a short overview program highlighting the vision of teachers creating authentic Professional Learning Communities across the state, by using an application that connects people. This vision was conceived and developed at the 2018 Governor's Conference on Innovation's 30 Hour Challenge. We were awarded 2 nd place at the Innovation Summit and given \$10,000.00 by Ted Dintersmith, author of <i>What Schools Could Be</i> , to help make this vision a reality. We have formed an LLC and are in the research and development phase of our application. Our main mission and goal is to help teachers find their people to spark innovation.
Heart	Building Tomorrow's Leaders - Amanda Peterson & Macine Lukach - This presentation will provide an overview of how you could incorporate the <i>Building Tomorrow's Leaders (BTL)</i> comprehensive program into your high school. The BTL program aims to: <ul style="list-style-type: none"> * Empower students to get involved in school and civic organizations, * Build confidence and strengthen the skills students need to lead others, * Assist student in developing their personal and professional networks, and * Help students complete a project to meet a school or community need by applying what they've learned.
Cannonball	Supporting Students' Social/Emotional Needs - Leslee Webb - In the year 2018 we all know that serving our students in schools is not only an educational endeavor. It is meeting needs far beyond the classroom. Learn how we brought to life the realization of Maslow's Hierarchy of Needs in our alternative school right here in Bismarck, North Dakota.
Sheyenne	Rural School Collaborative - Dr. Steven Johnson - In the spring of 2018, NDSOS and RSC became partners creating an Action Hub right here in North Dakota. The presentation will give NDSOS members and others an understanding of what RSC can do to help our rural schools, communities and educators. The Rural Schools Collaborative mission is to strengthen the bonds between rural schools and communities through place-based engagement, rural philanthropy, and developing teacher-leaders in their rural communities. It is possible and necessary to develop strategies that encourage people to remain in or return to rural regions. The presentation will discuss community-based philanthropy opportunities in your rural communities including school foundations, community foundations and purposeful planned giving. Examples from North Dakota will be presented. Our nation's challenges present real opportunities for rural places and a sustainable American future must include a thriving rural landscape.
Room 2130	NDMTSS: Expanding our System of Supports and Changing how we Do School Across North Dakota - Schaefer/Glasheen - In 2017-18, over 1,600 ND educators from 133 schools in 60 districts attended NDMTSS trainings! What is NDMTSS? Who are these schools? What are they seeing as results? How does NDMTSS pull together ALL of your school initiatives and drive your continuous improvement process? North Dakota's Multi-Tier System of Supports (NDMTSS) is a framework that provides ALL students with the best opportunities to succeed academically, socially, emotionally and behaviorally in school. NDMTSS focuses on providing high-quality instruction and interventions matched to student need, monitoring progress frequently to make decisions about changes in instruction or goals. Data are used to allocate resources to improve student learning and support staff implementation of effective practices. Come and learn about the 2018-19 NDMTSS statewide professional learning opportunities, extensive program of services, and the impacts this work is having on schools across our state.
Room 2160	Alternative Licensure Pathways for TEACHERS - Amber Aberle, Dr. Jim Boe, and David Hanson - The panel will define and discuss the two different types of alternative licensure an individual may obtain through the Education Standards and Practice Board. The panel will discuss the different pathways to complete the alternative licensure process. The panel will also explain the process to determine deficiencies and the development of the plan of study for individuals with alternative licensure.
Room 3130	21st Century Food Service - Lisa Truax & Deb Egeland - School food service is evolving along with classrooms, technology and media centers. It is critical school administrators understand the changes occurring and the services offered through the North Dakota Department of Public Instruction (DPI), Child Nutrition and Food Distribution. In this breakout session you will hear from DPI about the enforcement of procurement regulations regarding federal funds schools receive for their school breakfast and lunch programs. The North Dakota Educators Service Cooperative (NDESC) will talk in general about the procurement process it does on behalf of participating schools in North Dakota and the value it provides to school districts.
