***School Superintendents (\$420+\$100=\$520) and Secondary Principals (420+\$100=\$520) have unified dues and must join both the NDCEL and their affiliated organization.**

Contributions or gifts to NDCEL or its affiliates are not deductible as charitable contributions for federal income tax purposes. For 2017, it is our projection that we will spend approximately 13% or \$55 of your NDCEL dues for lobbying and that 13% of your dues **will not** be deductible on your 2017 income taxes.
